

P4 READING WORKSHOP

WHAT WE LEARNED

P4 has a poetry focus throughout the year, learning about lines, stanzas, rhyme scheme, and limericks. All while writing their own poems in a class poetry book.

The students also tackle challenges such as group discussions, critical thinking exercises, and facing new ideas. We put emphasis on the students reading the texts, and being the ones to ask questions.

Topics: poetry, hero's journey, healthy lifestyle, (soon to include a novella: Kiki's Delivery Service)

P4 AIRPORT TRIP

During the January Term, P4 students got to experience interviewing travellers while visiting the Hong Kong International Airport.
