

Mr. Jago England

Hello, I'm very excited to meet you all! You must be feeling eager to come back to school after the nice, long summer break. I hope you are ready for a new year filled with fun and interesting lessons. We have planned some very exciting activities this year and got some gripping new books.

I am thrilled to be teaching P1, P3 and P4 this year. In P1 we are happy to introduce you to life in NPMPS and get familiar with new books and your surroundings. For the P3s', we start the year off with festivals and dive into myths and legends. Finally, the P4s' are in for a memorable journey where we "take-off" on an adventure.

Get ready, because we are going to be launching some great new EAC's this year and I encourage you all to join (Watch this space!).

You can find me all over the school whether it be on the playground, in the English Kingdom or even in the hallway. Come say hello, give a high 5 or even challenge me to some rock, paper, scissors.
